CURING WITH CARE

Student Outreach Opportunity with UPMC Hillman Cancer Center
Researchers — Wednesday, March 5th

UPMC Hillman Cancer Center is hosting FCAHS students onsite for their Curing with CARE program. During this visit, various programs and researchers speak with the students on opportunities for cancer outreach as well as the latest advancements in cancer research. The event will be focused on the science of cancer research. Primary Investigators (PI's) will

attend to speak about the latest trends in research and some cool science. Representatives from the Hillman Academy will also present to the students. Lunch will be provided for everyone, which will also give the students the opportunity to speak one-on-one with the PI's. They enjoy interacting and answering questions. Following lunch, they will provide a tour for smaller groups to see the building and some of the active working wet labs within the building.

If you are attending and have specific allergies to food, please let me know at Lisa_Gibson@fcasd.edu. I can work with catering to try to accommodate.

Permission slips are available in the QUEST office (room 168).

The American Association of Physics Teachers presents:

PHYSICSBOWL

Competition Details:

- All students are welcome to compete.
- March 21, 2025, during career QRT
 - Arrive at 7:25 to begin competition at 7:30.
- 45-minutes to complete
- 2 Divisions:
- Division 1: first-year physics students
- Division 2: second-year physics students
- 40 multiple-choice questions
- Basic calculators can be used. Calculator can't have programs.
- FCASD covers the cost to enter

Past Practice Exams: <https://aapt.org/Programs/PhysicsBowl/printexams.cfm>

Competition Location: Multipurpose Room (Fox Media Hallway)

Competition Results: Posted in early May

To Register:

- Send Dr. Cowles an email to register -- Lesley_Cowles@fcasd.edu
- Indicate whether you qualify for Division 1 or Division 2.
- Registration deadline: **March 18, 2025**

IMPORTANT DATES:

- 2/1: Summer FC Online Course registration is open!
- 2/1: SAT Boot Camp registration is open!
- 2/3: KD Quiz taping 3pm
- 2/5: Math Madness – QRT
- 2/6: High School Open House
- 2/7: Magee-Womens Internship application deadline
- 2/7: 1pm early dismissal (high school students only)
- 2/11: Math Madness – QRT
- 2/13: American Scholastic Mathematics Assoc. Contest #4
- 2/14: Last day to submit art or writing to FC Tapestry!
- 2/15: Conroy Guyer Travel Scholarship application deadline
- 2/17: No school – Presidents' Day
- 2/19: Math Madness – QRT
- 2/21: Career speakers during QRT
- 2/25: Pitt Health Career Scholars Academy application deadline
- 2/25: World Affairs Institute at CMU
- 2/26: Math Madness – QRT
- 2/27: US History Bee – QRT
- 2/28: AP test registration forms due
- 2/28: Student Police Academy application deadline

International Academic Competitions

UNITED STATES DIVISION

FCAHS QUEST is excited to offer Round 1 of the following International Academic Competitions:

FEBRUARY 27TH:

United States History Bee

MARCH 6TH:

National Science Bee

MARCH 14TH:

NATIONAL POLITICAL SCIENCE BEE

MARCH 20TH:

National Geography Bee

Competition Time: 7:25am to the end of QRT

Location: Library Classroom

Pre-Registration Required!

First-Round Registration and Competition:

- Prior registration is required. Interested students should email Lesley_Cowles@fcasd.edu to begin the process (indicate which competition(s) you would like to participate in. Students will create an International Academic Competition account.
- Assessment administered during QRT in the Library Classroom. Arrive no later than 7:25am.
- Online assessment, bring your own charged computer.
- Assessment comprised of 50 multiple-choice questions to be answered within 20-minutes.

Divisions:

- Varsity (11 & 12-grades) or JV (9 & 10 grades) divisions
 - **Exception:** Geography National Qualifying Exam, Varsity (born before July 1, 2009) & JV (born after July 1, 2009)

Competition Advancement:

- Score a 75 % or higher on an NQE or finish in the top half of students who have taken the exam.
- **Students who advance to the second-round competition (and beyond) must accept financial responsibility for all competition costs, registration fees, associated travel costs, and required adult chaperone to next-level competition site.**
- **FCAHS is only offering first-round competition registration fees and support.**

FCAHS Contact:

- If you have any questions, contact Dr. Cowles: Lesley_Cowles@fcasd.edu

HEALTH & BIOMEDICAL SCIENCES CAMP

Camp Details

When: The Health and Biomedical Sciences Summer Camp will be held from July 21–26, 2025.

Where: Lebanon Valley College, Annville, PA

Cost: \$1,275

Who: Rising high school sophomores, juniors, and seniors

<https://www.lvc.edu/about/camps-community-programming/health-biomedical-sciences-camp/>

Through lectures and hands-on laboratory investigations in state-of-the-art laboratories, students will be introduced to the fundamentals of disciplines such as molecular biology, neuroscience, physiology, pharmacology, immunology, and other medical sciences. Students will learn how laboratory science can be translated into improved human health and will engage in investigative experiences that will allow them to apply their laboratory skills to real-life problems. In addition, students will interact with practicing professionals in fields such as medicine, physical therapy, toxicology, genetic counseling, and biomedical laboratory research. The Health and Biomedical Sciences Summer Camp will provide a fun, challenging, and engaging college environment in which students will develop a deeper understanding of what it means to be a biomedical scientist and health professional.

<https://www.ashg.org/dna-day/>

This contest is open to students in grades 9-12 worldwide and asks students to examine, question, and reflect on important concepts in genetics. Artificial intelligence (AI)—advanced computer systems that can quickly analyze large amounts of data—is being used in many areas of healthcare, from diagnosing diseases to recommending treatments. Now, experts are also using AI to help interpret genetic testing results, which examine your DNA to understand your risk for certain diseases or guide treatments. If you had to undergo genetic testing, would you want AI to be used to help make sense of your results?

Important Dates

- January 6, 2025: Submission site opens
- March 5, 2025: Submission site closes
- April 25, 2025: DNA Day! Winners announced

Prizes:

1st Place: \$1,000 for student, \$1,000 genetics materials grant

2nd Place: \$600 for student, \$600 genetics materials grant

3rd Place: \$400 for student, \$400 genetics materials grant

Honorable Mentions: 10 student prizes of \$100 each

Questions? Email dnaday@ashg.org

Point Park University's Accelerated Career Awareness Program

Registration is NOW OPEN!

- Sunday, July 6 - Friday, July 11, 2025 |
- On-Ground – Residential
- For sophomores, juniors and seniors
- FREE!

The field of accounting has been identified as one of the fastest-growing professions, according to the U.S. Bureau of Labor. Yet studies have shown that there has been declining enrollment in accounting and finance among underrepresented students. The goal of the Accelerated Career Awareness Program, is to increase the understanding of accounting career opportunities among high school students in underrepresented minority groups.

Apply today at
<https://www.pointpark.edu/academics/schools/business/urbanaccountinginitiative/acap/>

The Japan-America Society of Pennsylvania

ペンシルベニア日米協会

High School Japanese Speech Contest

The High School Japanese Speech Contest is an opportunity for students in the region to show off their studies, meet other learners, and participate in cultural activities. Each year students research the theme and preparing their speech or presentation. Japanese language learners compete in the appropriate speech level, and new and non-language students compete in the English poster contest. Middle school language learners submit art pieces related to the theme for an online vote. While students are waiting, they participate in a cultural fair staffed by JASP volunteers and other local organizations providing Japanese activities and college information. After lunch, there is a presentation on an aspect of Japanese culture, and prizes are awarded by a representative from the Consulate of Japan in New York.

If you are interested in participating, and you live within easy driving distance of Pittsburgh, please contact the Educational Outreach Coordinator, kshellhammer@japsocietypa.org for more information.

I Want to be an
AMBASSADOR!

Teens learn the vital art of diplomacy

I WANT TO BE AN AMBASSADOR

Master the skills and character traits of successful Ambassadors

As the world stage continues to evolve one facet remains critically important, the vital art of **diplomacy**. *I Want to be an Ambassador!* camp is designed to prepare our teenagers with the skills necessary to come together and work to solve problems, whether they are close to home or in the world at large by teaching, demonstrating and practicing the skills of an Ambassador!

This seven-day summer camp experience is the only program of its kind in Western Pennsylvania, making it a unique and significant offering. The *I Want to be an Ambassador!* camp offers an original, innovative, and progressive curriculum that teaches useful lessons and critical thinking skills that teens can apply in their daily lives.

PROGRAM DETAILS

Dates: June 10 – June 18, 2025

(4.5 days in Pittsburgh – June 10-13)

(2.5 days in Washington DC – June 16-18)

Time: 9:00 am – 3:30 pm (excluding weekends)

Target Audience: Rising 8th – 12th graders

Location: Winchester Thurston Upper School,
555 Morewood Ave, Pittsburgh, PA 15213

Tuition: \$895.00 (\$870.00, if application is submitted or postmarked before May 1) Tuition is not refundable. For more information, visit:

Registration Now Open for Zoo U at the Pittsburgh Zoo & Aquarium!

The Spring Zoo U program will take students into the complicated and sophisticated world of animal interactions through symbiosis. They will learn how different species have adapted to work together as a team and how some have adapted to survive at another's expense. Students will meet some Zookeepers and animal ambassadors to help us better understand these unique and interesting animal relationships. Register at <https://www.pittsburghzoo.org/event/zoo-u-symbiosis/>

Conroy Guyer Memorial Scholarship applications now available!

This scholarship application for an all expense paid, 2-week summer program to Colombia or Spain has been made possible through the generosity of Mr. Conroy Guyer, a former English teacher at Fox Chapel Area High School.

Two **SOPHOMORE** students will be awarded these scholarships (one for each country) as part of the Global Prep program through AFS. You will travel with a chaperoned group of 20-30 students. All

transportation, lodging and meal expenses will be paid by the scholarship. Sophomores enrolled at FCAHS who could gain significant benefit from the experience, but who otherwise would not be able to go due to financial need, are eligible to apply. Applications are included on the last 2 pages of this QUEST newsletter and are due Feb. 15, 2025.

Air Force Association CyberCamp

FOR HIGH SCHOOL STUDENTS

JUNE
23-27

Pitt Cyber, in partnership with Pitt IT, will be hosting our 8th annual CyberCamp for high school students in June 2025. The free camp teaches systems security and cyber ethics for all skill levels.

Sign up to be notified of registration opening and learn more by visiting cyber.pitt.edu/cybercamp

PITTSBURGH HISTORY & LANDMARKS FOUNDATION

Scholarship Opportunity!

College-bound high school students who live in Allegheny County, have a 3.25 grade point average or above, are involved in their community, and care deeply about the Pittsburgh region are invited to apply to the [Landmarks Scholarship Program](#).

Since the program's inception in 1999, 91 graduating seniors from area high schools have been awarded scholarships for book and tuition expenses to colleges or universities of their choice. The scholarship award increased from \$4,000 to **\$6,000** in 2015. The scholarship is **payable over four years, and it can be used for book and tuition expenses**. In addition, 69 students have been awarded Honorable Mentions, a one-time award of \$250 for book and tuition expenses. The Honorable Mentions category was created in 2016.

For more information, and the link to the application, please visit
<https://phlf.org/education-department/scholarships/>

UPMC Sports Medicine Medical Career Day (Virtual event) March 4th

The Career Day program is geared toward high school students interested in a career in sports medicine. The program will be approximately 2.5 hours long and will feature a variety of career opportunities supporting athletes of all types. Each speaker will give a 15-minute introduction to their career which will include information such as educational background, job opportunities, salary, future of the profession, what interested them in their career choice, and an example of a typical day.

The program may vary, but anticipated presenters include an athletic trainer, neuropsychologist, sports dietitian, sports chiropractor, physical therapist, and more. The finalized program will be sent to those expressing interest in attending, and students will have an opportunity to email their questions to the speakers ahead of time. This program will take place via Microsoft Teams. **Students will report to the QUEST Student Center (room 168) at 8:15am to get logged in on their personal device. Bring headphones. Presentations begin at 8:30am, and conclude at 11:00 am.**

Anyone wishing to virtually attend the program should register for the event using the link/code below. In the week prior to the event, instructions for logging in will be sent to email addresses of those who have registered.

Course Offerings – Summer 2025

Fox Chapel Area Online (FCAO)

Open to students currently enrolled in grades 9, 10, and 11.

**Online courses run for 5 weeks from
Monday, June 16 through Friday, July 18
Application deadline: May 23, 2025**

FCAO College and Career Essentials

For students entering grades 11 or 12, **College and Career Essentials** focuses on self-investigation, research methods, analytical skills, and post-secondary preparedness. Students will learn and practice professional verbal and written communications, interviewing techniques and follow-up correspondence, strategies for successful post-secondary job or college applications, creation of an effective personal résumé, and college and career readiness. The culminating experience is a one-on-one professional interview that will be conducted in the fall. All activities are completed online. Assignments are due weekly, but students may work ahead, if desired. .5 credits

FCAO SAT Prep

For students entering grades 11 or 12, **SAT Prep** will utilize the full power of the Khan Academy individualized study plan based on the student's past standardized test results and current practice. Students will dedicate at least four hours per week, working on SAT problems and questions developed in conjunction with College Board. Additionally, students will learn about the SAT test, including test-taking strategies, through weekly reading assignments. Students will complete one full-length practice SAT test as part of this class. .5 credits

FCAO Discovery Health

For students entering 10th grade, **Discovery Health** allows students to apply wellness concepts to the study of the human body. Utilizing basic facts about the body systems, students will discover how daily decisions can impact the operation of the human body. This is a required course for graduation from FCAHS. It meets the PA State Standards for Health, Safety, and Physical Education. All activities are completed online. Assignments are due weekly, but students may work ahead, if desired. .5 credits

**** These are compressed courses. Students are completing an entire course in five weeks. ****

SPACE IS VERY LIMITED AND COURSES FILL QUICKLY. STUDENTS ARE NOT ENROLLED UNTIL REGISTRATION FORM AND PAYMENT ARE SUBMITTED.

Please complete and submit the summer school registration form on the reverse side of this page.

Slots are filled on a first-come, first-served basis. **NO REFUNDS** after June 6, 2025.

Questions? Contact Lisa Gibson at lisa_gibson@fcasd.edu or call 412 967-2479.

The Conroy Guyer Memorial Scholarship Application

2025 Summer Program – AFS USA Colombia July 9-24; Spain July 9-23

This scholarship application is for 2-week summer programs to Colombia and Spain, which have been made possible through the generosity of Mr. Conroy Guyer. As a former teacher at FCAHS, Mr. Guyer wanted to expand students' horizons and help them achieve their highest potential. Two students will be awarded these scholarships (one for each country) as part of the Global Prep program through AFS USA, an internationally recognized program for exchange students. You will travel with a chaperoned group of 20-30 students. All transportation, lodging, and meal expenses will be paid by the scholarship.

Colombia: Get to know Colombia, a country known for its welcoming attitude, an inter-mix of various cultures, and an abundance of natural wonders. You will live with a vetted host family in the mountainous area of Popaya'n, where you will find archeological sites, ornate churches and colorful markets. Considered the second most biodiverse country in the world, you will be able to explore the lush natural landscape of the country by taking part in activities like horseback riding and hiking. There are many planned activities like dance lessons, nature walks and city bike tours. You might even spot a condor, the largest living land bird in the world which is native to the Andes. You will have a chance to explore El Morro del Tulcan, a pre-Colombian pyramid built by indigenous people, visit a hot springs and hike a volcano in the Purace' National Park. By living with a host family you will learn about native food and customs and have a chance to practice Spanish phrases, although there are no Spanish lessons in the program. Popaya'n, with its warm, welcoming people, is a beautiful area to explore and is considered a safe area by our State Department.

Spain: This two-week adventure takes you to the historic town of Valladolid, Spain, north of Madrid, where you will have the opportunity to study Spanish in the morning and then learn about Spanish culture and explore historic sites such as palaces, castles and Roman ruins. The city is known for the "best spoken Spanish in Spain," and locals are happy to help you learn and practice your Spanish. You will live with a vetted host family, and you will have a chance to tutor local teenagers in English as well as understand issues that impact them today.

Please circle one or more of the countries you would like to be considered for and rank them by writing a number next to the country. COLOMBIA _____ SPAIN _____

The Conroy Guyer Memorial SCHOLARSHIP APPLICATION

Sophomores enrolled at FCAHS who could gain significant benefit from this experience, but who otherwise would not be able to go due to financial need, are eligible to apply. Students are encouraged to return to FCAHS the following school year and share information about the program and the benefits gained with other students. They will be encouraged to meet other AFS Exchange Students and participate in other local AFS activities. Please write on the back if you need more room for your answers.

Name:_____ Date of Birth:_____

Address:_____

Phone Number:_____ Year of Graduation:_____

Email Address:_____

Extracurricular Activities/years participated:_____

Have you traveled outside of Pittsburgh, either within the United States and/or to another country? If yes, please list below.

Essay Questions (on a separate page (no longer than 300 words each) or submit a video answering these questions to: GuyerScholarshipSpain@gmail.com (Go to <https://www.businessinsider.com/guides/streaming/how-to-share-a-private-youtube-video> for instructions to upload and privately share your video responses with the scholarship team.)

1. What are you passionate about and how would you like to use and develop this passion?
2. Why do you want to go to Colombia and/or Spain?
3. What is your favorite place you have traveled to?
4. If you have no limits, where would your heart take you?

Please attach a resume (if you have one.)

Reference: Please give the name, phone number and email address of an adult outside of your family that we can contact for a reference, i.e. teacher, coach, youth pastor, mentor, music director, etc.

Is there anything else you would like us to know?

Student Applicant Signature * _____

Please request a copy of your transcripts from the FC counseling department for this scholarship application. They will forward it to the scholarship committee.

Signature of Parent/Guardian _____
Phone Number and Email for Parent/Guardian _____

Please return this application via email to: GuyerScholarshipSpain@gmail.com

DEADLINE for submission of this completed application: February 15th, 2025 (midnight)

Selected candidates and their parents will be interviewed March 1st-5th

To learn more about any of these opportunities, please see

<https://www.afsusa.org/programs/?duration=165%2C147>

This AFS program includes:

- Round trip flight from New York to Colombia or Spain.
- All overnight accommodations, meals, language classes, activities, and in-country transportation.
- Secondary medical insurance coverage for international travel.
- Access to a 24/7 Emergency Duty Officer
- Passport/Visa expenses and support (if needed)
- Additional help with expenses to get to and from New York as needed.

The program does not include:

Vaccinations and any medication costs recommended by the CDC.
