Student Ambassadors

Apply to become a Student Ambassador!

Help new students learn more about our high school, assist parents in finding their way around the building during open house, help with freshman orientation, showcase your leadership skills – and earn volunteer hours and build your resume while doing it! The object of the Student Ambassador Program is to assist students who transfer to Fox Chapel Area High School from other schools as they begin to connect to the students, school district, and available programs. Becoming a Student Ambassador is a great way to get involved in a positive leadership program in our school. An application is included in this month's newsletter.

Applications are due no later than 4/25.

Purple Comet Math Meet

April 21nd
during QRT
(and part of 1st pd.,
if needed)

The Purple Comet! Math Meet is a free, annual, international, online, team, mathematics competition designed for middle and high school students that has been held every year since 2003. Teams of from one to six students compete by submitting solutions to a list of mathematics problems. The problems range in difficulty from fairly easy to extremely challenging. In 2022 over 12,000 students competed on over 3998 teams from 62 countries. The high school contest consists of 30 problems to be completed in 90 minutes. Email Lesley_Cowles@fcasd.edu if you would like to compete this year!

EcoLeader Academy

Applications for EcoLeader Academy are open now through Mon., May 5!

The seven-week EcoLeader Academy course provides an invaluable opportunity for highly motivated high school students to gain knowledge of the many facets of environmental science: ecosystems, human health, policy, climate change, food and agriculture, energy, pollution, environmental justice issues, local to global impacts, sustainability and green careers. Attendees will grow in self-confidence and strengthen skills, such as communication, collaboration and public speaking that will also build a solid resume for college and job applications. Fox Chapel Area High School Student Ambassador Program

Information Packet and Application

Student Ambassador: A student that displays the characteristics of a leader and uses leadership skills to become an ambassador within the high school assisting others as they transition to life as a Fox Chapel Area High School student.

Now in its 20th year, the Fox Chapel Area High School is continuing with a program to help the district better address the needs of students who enroll at Fox Chapel Area High School from outside the district. The object of the Student Ambassador Program is to assist students who transfer to Fox Chapel Area High School from other schools as they begin to connect to the students, school district, and available programs. Below you will find a more detailed description of the goals and structure of the program.

Goal: To provide a student-based support system for new students to Fox Chapel Area High School in order to help them transition to the high school environment. This will enable new students to have a friendly contact to help them navigate through the building related to room locations, access appropriate staff and programs, and provide students with a support system.

Ambassador Qualifications: Applicants to be considered for the Student Ambassador Program must meet the following criteria:

1. Be a current freshman, sophomore or junior at FCAHS
2. Maintain a non-weighted QPA of 3.0 or higher
3. Participate in at least one extra-curricular or athletic activity
4. Be a student in good standing with the district administration (no major discipline issues/suspendable offenses or school disruptions)
5. Two teacher signatures verifying recommendation for the program
6. Scheduled lunch to accommodate the needs of new students

Student Ambassador responsibilities/expectations include:

1. Attend a brief (1-2 hour) summer training program
2. Provide new students with a lunch buddy
3. Help with tours and enrolling new students to the building
4. Answer questions about high school logistics
5. Complete a checklist of various activities to familiarize students with the school layout and procedures and other useful student information
6. Assist in guiding new students to adult contacts within the building that may be of help to them in solving specific problems
7. Students will be matched by gender, grade and areas of interest when possible
8. Participate in annual freshmen orientation and move up day activities
9. Additional support activities as indicated by the administration and club sponsor (open house, special events etc.)

Benefits: Those students who are selected to the Student Ambassador Program will benefit from the following:

1. Making new friends
2. Helping to increase school pride and spirit
3. Contributing to the betterment of FCAHS
4. Earn volunteer hours
5. Enhance their professional resume

A short but mandatory training session for those students who are selected as Student Ambassadors will be conducted in the summer to provide an opportunity to learn about the school and the expectations of the Ambassadors. During this training session, the Student Ambassadors will learn more about the school, its history, the layout of the high school, additional procedures about which new students should be informed, additional organizational items to provide for the responsibilities/expectations listed above, and to provide team building and networking among the Student Ambassadors.

We expect the Student Ambassadors Program will continue to address the social needs of integrating new students into Fox Chapel Area High School. By fostering close relationships between and among new students and “veteran” students, the entire high school community will benefit from closer bonds, feelings of belonging, and stronger relationships among the student body.

Please submit the completed application to Mr. Baxter by Friday, April 24th, 2026.
