QUEST Newsletter

Student Ambassadors

Apply to become a Student Ambassador!

Help new students learn more about our high school, assist parents in finding their way around the building during open house, help with freshman orientation, showcase your leadership skills – and earn volunteer hours and build your resume while doing it! The object of the Student Ambassador Program is to assist students who transfer to Fox Chapel Area High School from other schools as they begin to connect to the students, school district, and available programs. Becoming a Student Ambassador is a great way to get involved in a positive leadership program in our school. An application is included in this month's newsletter. Applications are due no later than 4/25.

SUBMISSIONS DUE:
APRIL 2, 2025

EVENT: APRIL 16, 2025
@ PHIPPS
CONSERVATORY

Organized by the Youth Climate Advocacy Committee and the Pittsburgh Youth Leaders in Sustainability Network

Carnegie Mellon University
Sustainability Initiatives

IMPORTANT DATES:

4/3, 3, 4: SPRING BREAK

4/5: Watch the FCAHS KD-Quiz team compete on KDKA-TV at 11:30 am

4/5: Hackathon at Shadyside Academy

4/7: ASVAB testing registration deadline

4/8: Purple Comet Math practice test - QRT

4/9: Global Medical Brigades team registration deadline

4/9: ASVAB testing, 11:30am

4/10: American Scholastic Mathematics Association Contest

4/11: Listen to a Life submission deadline

4/11: Career speakers during QRT
(Advanced Practice Providers, Physician Assistant, Nurse Practitioner and Nurse Anesthetist)

4/15: Purple Comet Math practice test – QRT

4/15: McGowan Institute Summer Internship application deadline

4/21: No school

4/22: Purple Comet Math Meet

4/25: Student Ambassador application deadline

4/25: National Honor Society application deadline

4/25: Opportunities Fair, 3rd period

4/26: Earth Day cleanup in Blawnox

Shadyside Academy Hosting Hackathon - April 5th

shady.Hacks will be hosted on April 5th, starting at 9 AM and ending at 5 PM. The prize pool this year has been upgraded to 6 prizes totaling \$700+ with an internship award at a start-up company. Anyone without programming experience can join, as everyone who attends receives free T-shirts, a certificate, and a Wolfram Alpha subscription. shady.Hacks will be a great opportunity just to hang out with friends and meet new people (students, professionals, professors) who are experienced in the field! The details of our event including the sign-up form, social media, schedules, etc. are available at: <https://www.join silicon.org/shadyhacks>

Center for Architecture Explorations

Summer Camp Series

Join the Fox Tales QRT!

Do you enjoy writing? Want to keep the school and community informed about what's happening at FCAHS? Joining the Fox Tales Quarterly staff ensures a guaranteed publication of your writing, and it's also an awesome resume builder! No matter what you plan to do in your future, if you can demonstrate that you are capable of writing something of publishable quality, you will be much more marketable! You can also join as a staff photographer!

If you would like to learn more about this opportunity, reach out to Lisa_Gibson@fcasd.edu

****Accepted students must commit to writing one article per quarter**

PITT | SWANSON
BIOENGINEERING ENGINEERING

INSPIRING TOMORROW'S ENGINEERS

CampBioE 2.0 2025

Registration and Program Dates

• **June 23 – 27, 2025 & June 30 – July 3, 2025** *Two-week session, High School, (9th – 12th grade)*

Registration will be live on this website in early March!

About CampBioE 2.0

CampBioE 2.0 is a dynamic day camp that engages scholars in the wonders of science, technology, engineering, mathematics, and medicine (STEM+) through exposure to cutting edge, hands-on activities related to bioengineering and STEM+.

This innovative program is designed to

• Inspire and educate the next generation of scientific and medical professionals, develop leaders in STEM+ with backgrounds and perspectives that can identify and serve the needs of all members of our communities, and provide 2nd – 12th grade scholars from all socioeconomic backgrounds with an opportunity to experience STEM+ in a dynamic and bias-free environment.

<https://www.engineering.pitt.edu/departments/bioengineering/campbioe/>

Location:

University of Pittsburgh Community
Engagement Center - Homewood
622 N Homewood Avenue
Pittsburgh, PA 15208

Details:

Monday - Friday, 9:00 AM – 4:00 PM

Light breakfast and lunch provided

Registration cost: \$500*

*The camp registration fee will be waived for scholars whose household qualifies for the free/reduced lunch plan

LISTEN TO A LIFE STORY CONTEST

When young and old come together, they can change each other's lives, their community, and even the world. Big things happen when you listen to a life – you travel time, learning from the past for a better future.

The Legacy Project's 25th annual Listen to a Life Story Contest runs to April 11, 2025. The contest is open to young people 8-18 years, with a grandparent or grandfriend 50 years or older (cannot be a parent). To enter, all you have to do is Read, Listen, Write! Check out all the details at <https://legacyproject.org/7gen/ltalcontest.html>

Purple Comet Math Meet

April 22nd
during QRT
(and part of 1st pd.,
if needed)

The Purple Comet Math Meet is a free, annual, international, online, team, mathematics competition designed for middle and high school students that has been held every year since 2003. Teams of from one to six students compete by submitting solutions to a list of mathematics problems. The problems range in difficulty from fairly easy to extremely challenging. In 2022 over 12,000 students competed on over 3998 teams from 62 countries. The high school contest consists of 30 problems to be completed in 90 minutes. Email Lesley_Cowles@fcsd.edu if you would like to compete this year!

CyberCamp will be held Monday-Friday, June 23-27 from 9:00 AM-1:00 PM. **Students are required to attend all five days.**

The **FREE** camp is designed for a range of technical skill levels, including introductory digital literacy, and is focused on cyber ethics and systems security. Taught by cybersecurity professionals from the University of Pittsburgh and elsewhere, students will learn vital skills like cyber hygiene, Windows and Linux security, and have the opportunity to network and learn about potential career opportunities.

Students can attend the Standard or Advanced Camp. Advanced Camp students are required to have participated in a previous CyberCamp. If you are unsure which is right for you, visit the FAQ page on their website or email afacamp@pitt.edu.

Register at:

<https://www.cyber.pitt.edu/events/air-force-association-cybercamp-0>

Go For Launch!
To Mars (PA)
June 25 - 26, 2025

During a 2-day event in Mars, high school students will

- **EXPERIENCE** the wonder of human spaceflight research
- **COLLABORATE** with an in-person team of astronauts, aerospace scientists and engineers
- **STRENGTHEN** communication skills through presentations
- **COMPETE** to have a science experiment flown to the International Space Station

2024 Cosmic Critter student team selected to further develop their project for potential flight to the ISS.

- A unique facet of *Go For Launch!* is the chance to work hands on with an astronaut throughout each day of the event

Stay In Touch

If there are any issues throughout the application process, please contact us at 706-733-7175.

FIRST ROUND OF 'KD QUIZ' PLAYOFFS AIRS MARCH 29th!

Three Fox Chapel Area High School students compete in a new episode of "KD Quiz" airing Saturday, March 29, 2025, at 11 a.m. on KDKA-TV (CBS Pittsburgh). The Fox Chapel Area High School students participating in Round 1 of the playoffs are senior **Rohit Velankar** and juniors **Eloise Johnson** and **Rodrigo Silva**.

In the March 29 episode, the Fox Chapel Area High School team competes against students from Penn-Trafford and Taylor Alderdice high schools. The episode will re-air Saturday, April 5, at 11:30 a.m.

"KD Quiz" is a Saturday morning high school academic quiz show presented by KDKA-TV in partnership with GBU Life. It is open to students from the KDKA-TV viewing area from 81 high schools who compete in teams of three and answer questions from a variety of curricular areas. The program host is KDKA meteorologist Ray Petelin.

Apply Online

We're Hiring!

It's often said that if you love what you do, you'll never work a day in your life. And if you love having fun, making kids smile, feeling like part of a team and helping make our community safer, **all while making money AND building up your resume**, then there's no doubt you'll LOVE working at Goldfish! We offer competitive pay, flexible schedules and the opportunity to make a real impact - in our community, and in your career - all in a fun, tropical environment that will make you feel like you're on vacation every day! Get ready to love what you do, and change lives at the pool!

We're looking for passionate people to join our team as:

- Swim Instructors
- Lifeguards
- Deck Supervisors

- Pay from \$15-18 per hour
- Paid training & lifeguard certification
- Free lessons for children & siblings
- And many more perks!

- We inspire young girls to become engineers and support them with scholarships in order to help them improve the quality of life for billions of people worldwide.

Fox Chapel Area High School Student Ambassador Program

Information Packet and Application

Student Ambassador: A student that displays the characteristics of a leader and uses leadership skills to become an ambassador within the high school assisting others as they transition to life as a Fox Chapel Area High School student.

Now in its 19th year, the Fox Chapel Area High School is continuing with a program to help the district better address the needs of students who enroll at Fox Chapel Area High School from outside the district. The object of the Student Ambassador Program is to assist students who transfer to Fox Chapel Area High School from other schools as they begin to connect to the students, school district, and available programs. Below you will find a more detailed description of the goals and structure of the program.

Goal: To provide a student-based support system for new students to Fox Chapel Area High School in order to help them transition to the high school environment. This will enable new students to have a friendly contact to help them navigate through the building related to room locations, access appropriate staff and programs, and provide students with a support system.

Ambassador Qualifications: Applicants to be considered for the Student Ambassador Program must meet the following criteria:

1. Be a current freshman, sophomore or junior at FCAHS
2. Maintain a non-weighted QPA of 3.0 or higher
3. Participate in at least one extra-curricular or athletic activity
4. Be a student in good standing with the district administration (no major discipline issues/suspendable offenses or school disruptions)
5. Two teacher signatures verifying recommendation for the program
6. Scheduled lunch to accommodate the needs of new students

Student Ambassador responsibilities/expectations include:

1. Attend a brief (1-2 hour) summer training program
2. Provide new students with a lunch buddy
3. Help with tours and enrolling new students to the building
4. Answer questions about high school logistics
5. Complete a checklist of various activities to familiarize students with the school layout and procedures and other useful student information
6. Assist in guiding new students to adult contacts within the building that may be of help to them in solving specific problems
7. Students will be matched by gender, grade and areas of interest when possible
8. Participate in annual freshmen orientation and move up day activities
9. Additional support activities as indicated by the administration and club sponsor (open house, special events etc.)

Benefits: Those students who are selected to the Student Ambassador Program will benefit from the following:

1. Making new friends
2. Helping to increase school pride and spirit
3. Contributing to the betterment of FCAHS
4. Earn volunteer hours
5. Enhance their professional resume

A short but mandatory training session for those students who are selected as Student Ambassadors will be conducted in the summer to provide an opportunity to learn about the school and the expectations of the Ambassadors. During this training session, the Student Ambassadors will learn more about the school, its history, the layout of the high school, additional procedures about which new students should be informed, additional organizational items to provide for the responsibilities/expectations listed above, and to provide team building and networking among the Student Ambassadors.

We expect the Student Ambassadors Program will continue to address the social needs of integrating new students into Fox Chapel Area High School. By fostering close relationships between and among new students and “veteran” students, the entire high school community will benefit from closer bonds, feelings of belonging, and stronger relationships among the student body.

Please submit the completed application to Mr. Baxter by Friday, April 25th, 2025.

Fox Chapel Area High School Student Ambassadors Program
Program/Ambassadors Application

Name: _____
